

Your Health Can't Wait.

Commitment to Care

Taking care of your health is as important as ever. Please do not ignore your symptoms or downplay your pain. Being seen now may prevent greater health risks in the future. We're here to provide safe care for you.

Benefits of an Ambulatory Surgery Center

Ease of Access and Convenience

- Focus on select procedures
- Efficient scheduling
- Fewer surgery delays for patients
- Increased communication with family members

Quality Care at a Lower Cost

- Patients may pay up to ~40% less than at a hospital, depending on insurer
- Accredited by Accreditation Association for Ambulatory Health Care
- Flexible and convenient patient payment options

Preparing for a Procedure

We are committed to universal protection and safety for you and your loved ones.

COVID SAFE resources

- Verbal screening
- Social distancing
- Mandatory mask policy
- Daily temperature checks
- Use of personal protective equipment
- Heightened infection prevention policies

We continuously monitor our operations and adjust measures in place to help ensure the safety of our patients, physicians and staff.

Our center is a COVID SAFE place to receive procedural care. We do not provide COVID-19 treatment.

Health Comes First

Because your health can't wait, we offer patient payment options to support you and your loved ones. Access to safe, high quality care should be the priority.

CareCredit

Up to 12 months interest free, patient payment option available.

Auto-draft Program

Payment can be spread over 3 months with no interest with a checking account, debit card or credit card.

Visitor Policy

For the safety of our patients and staff we are limiting. All approved visitors will be screened upon entry.

Our Comprehensive Services Include
